GRAND CHAMPION FEMALE

RESERVE CHAMPION FEMALE

Ribbons will be furnished by the American Shorthorn Breeders' Association.

We cordially invite you to be with us on April 10th and 11th. You can enjoy the banquet Friday evening and buy in the sale the day following. We can assure you of the finest offering of Shorthorn cattle in the long history of this event. The cattle were all pre-sale inspected and only the best were accepted. All the consignors and the Association members take pride in this offering.

The bulls are a superb group, qualified both in breeding and individuality to be improving herd sires. The females are an exceptionally desirable lot with pedigrees that cannot be surpassed on paper or otherwise. The entire offering represents the get of recognized bulls.

Again, let me say that the cattle selling are the kind that represent sound, profitable investments.

GENERAL INFORMATION

Sale Headquarters—Hotel Stonewall Jackson, Staunton, Virginia.

Time—Saturday, April 11, 1953. Show, 9:30 a. m., Sale, 12:30 p. m.

Location—Show and sale at the Purebred Sale Pavilion, Staunton, Virginia. The pavilion is located on U. S. 11, three miles north of Staunton.

Pedigrees—A certificate of registry will be furnished for each lot sold and the certificate will be transferred without cost to the buyer. Applications for registry, properly signed, will be furnished for each calf sold at foot beside its dam and for each unborn calf in dam.

Bids—Those wishing to buy in this sale, but who find it inconvenient to attend may send buying orders to Ned W. Place, Sale Manager—Wapakoneta, Ohio, at time of sale send in care of Stonewall Jackson Hotel, Staunton, Virginia. Alan Atlason, Secretary of the American Shorthorn Breeders' Association. Herbert Rees, Holliday Drive, Winchester, Va.; or to any of the consignors or the auctioneer.

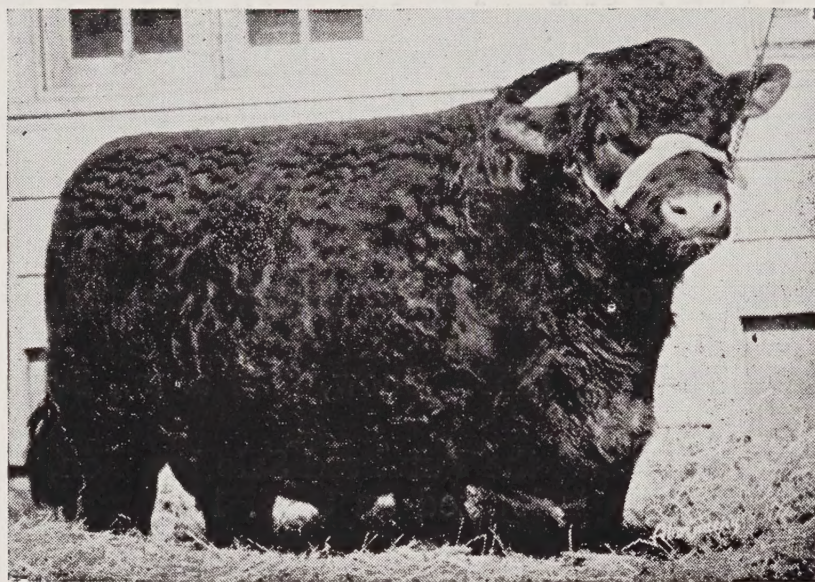

Transportation—Transportation will be furnished to and from the sale pavilion.

Where footnotes appear in this catalog the information was supplied by the consignor or written from information supplied by the consignor. Neither the sale manager, the auctioneer nor the clerk of the sale assume any liability, legal or otherwise. However, every precaution will be taken for the safety and comfort of the guest. Any announcements from the auction block during the day of the sale will take precedence over the printed information in this sale catalog.

Terms—The terms of this sale are cash unless arrangements have been made with the consignor before the sale and the sale manager properly notified. Payment for all cattle will be made immediately following the conclusion of the sale.

Auctioneer—J. E. Halsey, Des Moines, Iowa.

Sale Manager—Ned W. Place, Wapakoneta, Ohio.

EDELLYN RESERVE MERCURY, the good bull used jointly by Tusawila Farms & Wilson Bros., Lewisburg, West Va. He is the sire of lots 5, 6, 13, 61—grandsire of lots 10, 57, 58.

Rosewood -257024-
Red, A. C. Gaunt

ROYAL LEADER 24th, we believe, the best bull we have ever offered for sale. As can be seen he has a very desirable pedigree, combining Edellyn Royal Leader and Royal, Edwin breeding,—the same breeding that produced the 1951 International Champion bull. His dam is an outstanding cow in quality and production. He is a cherry red as are his dam and sire, low deep and wide. He will not be highly fitted as we use no nurse cows and are poor feeders. He has the makings of a real sire.

Good Bulls for greater Progress

Investing in an outstanding purebred Shorthorn bull is the best way to progress in the beef cattle business. It is far cheaper to breed deep middles and naturally thick bodies on calves than to feed them on . . . and if a calf has not been given the right heritage no amount of feeding and handling will ever develop it into a top animal.

A good Shorthorn bull will raise the standard of the calves from just average cow herds immediately . . . and owners of choice cow herds cannot afford to invest in a bull that doesn't give all the evidence of having the ability to sire calves equal or superior to their dams.

The bulls offered in this sale are just the type to lead the progress of the breed in the future decade.

SCOTSDALE DRUMMER, one of the noted sons of Calrossie Baronet by Kirkton Baronet. His get are all quality individuals and he has had many high selling sons and daughters. The senior herd sire in the John Turner herd at Broadway, Virginia. Sire of lots 9, 12, 37, 39, 43. Lot 18 is carrying his service and 25 is carrying his service.

Lot 9—Bull

You'll Get More for Your Dollar

With Shorthorns

The leadership of the Shorthorn profit characteristic of greater weight for age, combined with modern type and choice quality conformation is well-established under present conditions, present prices, present costs and in tune with present market demands.

You'll get more for your money with Shorthorns! Why?

Because prices paid for Shorthorns are always sensibly in line with business conditions . . . no plunging, no wild speculation, no boom or bust with Shorthorns! Their sales have been on a solid foundation and breeders are today running their business as they have ALWAYS run it . . . for sure, guaranteed, year around PROFIT.

LIN ROC D BESSIE—Another one of the good heifers by Scotsdale Drummer. Her breeding date will be given at sale time.

The Ideal Type Shorthorn Bull

For over two centuries, Shorthorns have competed with all comers as the ideal beef type. The ideal Shorthorn bull is thick, blocky, close to the ground, with greater scale at any given age than any other beef breed, straight in his top, bottom and sidelines, close-coupled, carrying even width from end to end. He has a head showing marked breed and sex character with neck short and thick, neatly joined and shoulders smoothly blended into the body. His chest is wide and full, heart girth broad and deep, crops full, ribs widely sprung, loin thick and wide, hips neatly laid in with smooth rump and tail head, and twist deep. His horns are short, light-colored and glossy. He has a good coat of glossy hair and the best disposition of all beef breeds.

BUY IN THIS SALE for these same good blocky qualities that help bring and maintain uniformity in your herd, and with qualities to go on procreating more of these good modern type Shorthorns.

Red, Tate B. Sterrett

CLIPPER 30th—We would like to recommend this heifer for a brood cow. Aside from being a beautiful red heifer, bred, sired by our good Leader bull, she is out of a real brood cow. Her dam is one of the late Tate Sterrett's good productions, a prolific breeder, all heifers but one in a long breeding career, and probably the most profitable cow on the place. She is bred to our good son of Coromony Fort Augustas and out of a daughter of Cruggleton Johnston, a Kickapoo Farms production. This bull is a deep red, very short of leg, heavy boned, loose hided, a promising sire. All five of our heifers offered in this sale are bred to him.

SCOTSDALE DRAGOON by Scotsdale Aspiration, senior herd sire at Archwood Farm and a bull that has proved himself a great sire already. Female lot 35 and female lot 45 are mated to this bull.

GOLDEN COUNTESS 50th—This heifer is one of our highly regarded Countess family. Over a quarter of a century ago we purchased a grand daughter of the incomparable Whitehall Sultan, the greatest of the great, for a foundation cow. We have many of her offspring in the herd, most of which are excellent cattle and regular breeders. The 50th is out of a big roan cow and she is a growthy animal that will make a large cow. Bred to the bull described in the footnotes of No. 44.

MISS VIOLET 3d—In this heifer is offered one of the really fine animals we have ever offered. She is solid red, not a white hair on her, her dam and sire being reds also. Her dam was bred in Ill., being champion heifer in the sale when bought. If you are looking for something neat to add to your herd this is it. She is bred to the bull described in the footnotes of No. 44. We regret to see her go.

		{	West Hatton Baron 2092087 Roan, Foster M. Reeder
		{	Kirkland Rosemary 6th 2017151 Roan, Robert G. Ratcliffe, Jr.

CARFLO QUEEN ROSEMARY is a dark roan out of the good breeding bull, Springdale Mercury Type. She is a little smaller than she should be due to the fact her mother died when she was quite young. This heifer will make a good cow if you can wait for her to develop. Calfhood vaccinated.

A 14-state survey by the American Shorthorn Breeders' Association shows what Shorthorn or Polled Shorthorn bulls can do in improving herd efficiency. Here is the summary—

- ★ Weaning weights 50 to 100 pounds greater.
- ★ Increase yearling weights 100 to 200 pounds.
- ★ Mature cows 100 to 200 pounds heavier.
- ★ Smaller heads and less calving trouble.
- ★ Ninety to 100 per cent calf crops.
- ★ Increase foraging efficiency.
- ★ Stand up better in extreme heat or cold.
- ★ Resist pinkeye, cancer eye and other infections.
- ★ Increase milk in crossbred cows.
- ★ Hornless calves when sired by a polled bull.
- ★ Higher prices for weight to return most dollars at market.

We Challenge Other Breeds To Match Superior Shorthorn Performance at the World's Greatest Livestock Shows

1952 GRAND CHAMPION

Four Out of Past Five grand champion carloads of feeders were **SHORTHORNS** at National Western Stock Show in Denver, world's greatest feeder cattle competition!

1952 GRAND CHAMPIONS

Requiring 1 1/4 pounds less corn per pound of gain than all other cattle of another breed in short-fed classes, **SHORTHORNS** were grand champions of 1952 International. They dressed 63.2 per cent with four carcasses grading prime and 11 choice—proving **SHORTHORNS** are tops in both feedlot and packing house!

Half of All Grand Champion Steers at all postwar International Live Stock Shows, world's greatest steer competition—that's the record of **SHORTHORNS!**

1953 GRAND CHAMPIONS

Seven Out of All Eight Chicago Feeder Shows, world's largest feeder competition, saw **SHORTHORNS** as champion yearling steers over all breeds.

1952 GRAND CHAMPIONS

STANDARD GUARANTEE

of

American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of the date of purchase, or by the time the bull is twenty months of age, if purchased under fourteen months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not selling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipments will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

Please Bring This Catalog With You to the Sale
